Technical University of Cluj-Napoca
- Baccalaureate exam: grade 8.73  
Computer Science Highschool 'Tiberiu Popoviciu' 2019-2023

## About Me

I study Computer science and I am particularly interested in programming. I enjoy challenging myself with new experiences, I am hardworking and ambitious, and my main goal is to be able to use my knowledge in actual practice. Although I do not have any work experience so far, I can easily adapt to new environments and I am looking forward to learning new things through projects and collaborations.
